

Anglican Aggies
Campus Ministry at Texas A&M University
A Report Submitted to the 41st Diocesan Convention
The Episcopal Diocese of Fort Worth

Right Reverend Sir and Members of the Convention

Anglican Aggies is thriving in the Fall of 2023. Our outgoing leadership passed the baton to a new group: Alfred Hale, *President*; Kyle Daily, *Treasurer*; Kylie Macnair, *Social Media Officer*. These leaders are the core of a strong group of 2nd years who combine with our returning 3rd and 4th year Aggies to welcome our incoming students. All in all, we have an active group of over 20 students between our Wednesday evening studies and Sunday worship at Incarnation.

Along with Church of the Incarnation, Anglican Aggies participated in the Impact Ministry Fair for the first time this past August. In their own words, “Impact Retreat is a 4-day camp held in August for incoming [Texas A&M] students that desires to connect each of them to other students, local churches, and ministries that will provide a source of lasting community and fellowship, built on the foundation of Jesus Christ and the truth of the gospel.” This is a significant step forward in joining the wider family of churches and ministries in Aggieland.

In partnership with Church of the Incarnation, Bryan/College Station, and the pastoral guidance of Fr. Greg Crosthwait, Anglican Aggies is completing its 13th year of ministry in an among the 12th Man. Gig ‘Em!

Respectfully submitted,

The Rev. Greg Crosthwait
Campus Pastor, Anglican Aggies
Rector, Church of the Incarnation, Bryan/College Station
