

Report of the
Evangelism Commission
Diocesan Convention 2023

TELET is being reformatted.

Beginning Lent 2024, the TELET training will be offered as a three hour session for use in parishes and other gatherings on Saturday mornings or evening programs.

It will involve instruction and role playing. These methods provide for the participants more comfort and guidance in sharing their Christian faith with non-believers in order to bring them to salvation through Jesus Christ.

The program will consist of:

- A clear understanding of why Christians are called to share their faith with all the world.
- Instructions on bringing up the subject of spiritual matters in one-on-one conversations with family, friends and acquaintances.
- Introduction of a simple method to explain how a person can sincerely give his or her life to Christ as Lord and Savior.

TELET has successfully shaped the life and ministry of many
Anglicans, both lay and clergy.

For more information and scheduling, contact Fr. Scott Wilson - 940-205-6765.
