

## World Missions Committee

### Diocesan Report, 2024

The World Missions Committee (WMC) strived to be a catalyst for churches of the Diocese to take an active part in the spread of the Gospel across the barriers of language, distance, and culture. Our goal has been to facilitate our Companion Diocese relationships with Northern Malawi, Northern Mexico, and the Myanmar Diocese of Mandalay, as charged by our diocese at Convention. Furthermore, our purpose was to help facilitate mission education and training for individuals and churches in their response to the Great Commission.

The committee continued to struggle with ways to fulfill our mandate from Convention and its other goals. It has become clear that a time of refreshment and reflection is needed followed by a time of discernment. The special working groups for Northern Malawi, Northern Mexico and Mandalay will continue during this time.

Respectively Submitted,

The Rev. Canon John T. Cruikshank, ASSP, SSC
