

# What's Happening in Sunday School?

In each of today's readings, one can see God's 'all-knowing' character revealed. His intimate knowledge of all creation in the Amos reading is explained. God's loving and intimate knowledge of every human is known and detailed in Psalm 139. Today's epistle and gospel readings speak to the reason Christ came to live among us as man: to reveal God the Father to us, to Light the way of salvation, and reveal His purposes for all His creation. We are called, like the first disciples, to spread the gospel of salvation to the world. He calls us to be His disciples, to be ever mindful and on the lookout for daily opportunities to tell and reveal by our actions His love and light to all men, women, and children we encounter.
