

What's Happening in Sunday School?

In today's readings the theme is that God desires and delights that we have faith in him and give him worship and praise. The message of salvation through Jesus Christ was foretold by the prophets and was given first to Israel, God's chosen people. Many of them rejected the Good News, but Jesus didn't stop there. He instructed the apostles to take the Gospel message to the "outsiders," the Gentiles and the whole world. When Jesus encountered a woman who called him, "Lord! Son of David!" and asked him to heal her daughter, he told her it wouldn't be right to give what belonged to the Jews (the children's bread) to Gentiles (the dogs), she said that even the "crumbs under the table" were plenty if they were given by the Master. This demonstration of faith and worship led Jesus to say her faith was great and that her daughter was healed. God blesses us and delights in our praise and worship of him.
