

What's Happening in Sunday School?

The theme for today's lessons is our relationship and obligations to the people around us. The Old Testament lesson reminds us that we need to be open with those around us about our faith. We have a responsibility to share how far we fall short of what God wants us to do and how loving and merciful He is if we ask Him to help us. The Epistle gives us a list of practical actions we can take to live out the gospel in the world around us. The Gospel gives us a picture of how to deal with disagreements and encourages us to understand how far reaching the consequences of our actions can be. Today classes will be working with the Epistle lesson.
